

**Kyutech**  
Kyushu Institute of Technology

# The 6th Seminar for Young Researchers

DATE:2019.07.03(Wed.)13:00~17:30

PLACE : Tobata MILAIS

## Lecturers

**“Designing in vitro Evaluation Methods for Materials Biomedical Application”**

**Dr. Akiko YAMAMOTO**

Managing researcher, Research Center for Functional Materials,  
National Institute for Materials Science (NIMS)

**“My Biomaterial Work Based on Light Emitting Material Research”**

**Mr. Masatomo TAKAHASHI**

Life Science Research Lab. Group2, Life Science Products Division  
NOF CORPORATION

**“Biomaterials Research -An Interdisciplinary Material Research-”**

**Prof. Masaya YAMAMOTO**

Department of Materials Processing , Graduate School of Engineering,  
Tohoku University

日本・アジア青少年サイエンス交流事業

さくらサイエンスプラン

Japan-Asia Youth Exchange Program in Science

Organizer : Yuki SHIROSAKI (Department of Applied Chemistry / 093-884-3302)
